*Calculation method for the ratio of the accommodated shares:

$$\begin{aligned} &= \frac{\text{Number of shares reserved for BTS-W6 Warrants} + \text{Number of shares reserved for BTS-W7 Warrants} + \text{Number of shares reserved for BTS-W8 Warrants}}{\text{Number of total issued shares of the Company}} \\ &= \frac{658,407,985 + 1,316,815,970 + 2,633,631,940}{13,163,182,036} \\ &= 35.01\% \end{aligned}$$

Remark: Calculated based on the total issued shares of the Company as at May 31, 2021 which was the date on which the Board of Directors resolved to propose the issuance and allocation of the BTS-W6 Warrants, the BTS-W7 Warrants and the BTS-W8 Warrants to the 2021 Annual General Meeting of Shareholders.

Allocation method	: The Warrants were issued and allocated to the existing shareholders of the Company on a <i>pro rata</i> basis to their respective shareholdings (Rights Offering) at the allocation ratio of 20 existing ordinary shares for 1 unit of Warrants. The Company issued and allocated the Warrants to the shareholders whose names appeared as shareholders of the Company on the date for determining the names of shareholders who shall be entitled to receive the Warrants (Record Date) on July 27, 2021. In calculating the number of the Warrants allocated to each shareholder, any fractions derived from the calculation
--------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

based on the allocation ratio set forth shall be rounded down. For instance, in case of a shareholder holding 27 shares, such 27 shares, if calculated based on the warrant allocation ratio, shall be equal to 1.35 (27 divided by 20). In this regard, the fractions of 0.35 shall be rounded down and 1 units of Warrants will be allocated to such shareholder.

Exercise period : The Warrant Holders shall be entitled to exercise their rights under the Warrants to purchase the newly issued ordinary shares of the Company on the last Business Day of every quarter after the issuance date (the “**Exercise Date**”). The first Exercise Date will be the last Business Day of the first quarter after the issuance date, which falls on September 30, 2021 and the last Exercise Date will be the date of one year from the issuance date, which falls on September 5, 2022. In the event that any Exercise Date (including the last Exercise Date) is not a Business Day, such Exercise Date shall be rescheduled to the preceding Business Day.

Period for the notification of the intention to exercise the Warrants : The Warrant Holders who wish to exercise their rights to purchase the newly issued ordinary shares of the Company shall deliver a notification of the intention to exercise the Warrants during 8:30 a.m. and 3:30 p.m. within the period of 5 Business Days prior to each Exercise Date, save for the last Exercise Date in which the notification of the intention to exercise the Warrants shall be delivered during 8:30 a.m. until 3:30 p.m. within the period of 15 days prior to the last Exercise Date.

Irrevocability of the notification of the intention to exercise the Warrants : After the Warrant Holders notified their intention to exercise the Warrants, they cannot revoke their notification of the intention to exercise the Warrants.

Secondary market of the Warrants : The Company will list the Warrants on the SET.

Secondary market of the newly issued ordinary shares issued upon the exercise of the Warrants : The Company will list the newly issued ordinary shares issued upon the exercise of the Warrants on the SET.

Dilution effects : Since the Warrants were issued and allocated to the existing shareholders of the Company on a *pro rata* basis to their respective shareholdings (Rights Offering), there would be no dilution effects on the shareholders as at the issuance date of the Warrants.

However, if all units of the Warrants issued are fully exercised and the persons who exercise such Warrants are not the existing shareholders of the Company, there will be dilution effects on the existing shareholders as follows:

1. Control Dilution

In the event that all units of the BTS-W6 Warrants, the BTS-W7 Warrants and the BTS-W8 Warrants, which were approved at the same time, are fully exercised and the Warrant Holders who exercise such warrants are not the shareholders of the Company, the shareholding of the existing shareholders of the Company will be diluted by 25.93 percent*.

* Calculated based on the number of shares reserved to accommodate the exercise of the BTS-W6 Warrants in the amount of 658,407,985 shares together with the number of shares reserved to accommodate the exercise of the BTS-W7 Warrants in the amount of 1,316,815,970 shares and the BTS-W8 Warrants in the amount of 2,633,631,940 shares, divided by the total sum of (1) the total issued shares of the Company in the amount of 13,163,182,036 shares and (2) the number of shares reserved to accommodate the exercise of the BTS-W6 Warrants in the amount of 658,407,985 shares together with the number of shares reserved to accommodate the exercise of the BTS-W7 Warrants in the amount of 1,316,815,970 shares and the BTS-W8 Warrants in the amount of 2,633,631,940 shares.

$$\begin{aligned} \text{Control Dilution} &= \text{Number of shares reserved for BTS-W6} \\ &+ \text{Number of shares reserved for BTS-W7} \\ &+ \text{Number of shares reserved for BTS-W8} \\ &\quad \text{Number of paid-up shares} \\ &+ \text{Number of shares reserved for BTS-W6} \\ &+ \text{Number of shares reserved for BTS-W7} \\ &+ \text{Number of shares reserved for BTS-W8} \\ &= \frac{658,407,985 + 1,316,815,970 + 2,633,631,940}{13,163,182,036 + 658,407,985 + 1,316,815,970 + 2,633,631,940} \\ &= 25.93\% \end{aligned}$$

Remark: Calculated based on the total issued shares of the Company as at May 31, 2021 which was the date on which the Board of Directors resolved to propose the issuance and allocation of the BTS-W6 Warrants, the BTS-W7 Warrants and the BTS-W8 Warrants to the 2021 Annual General Meeting of Shareholders.

2. Price Dilution

The issuance of the Warrants does not cause any price dilution since the Exercise Price is equivalent to Baht 9.90 per share which is higher than the market price before the offering, equivalent to Baht 8.75 per share, which was calculated from the weighted average price of the Company's ordinary shares trading on the SET during the period of 15 consecutive Business Days prior to the date on which the Board of Directors resolved

to propose the issuance and allocation of the Warrants to the 2021 Annual General Meeting of Shareholders (during May 7, 2021 and May 28, 2021 – information from SETSMART at www.setsmart.com).

Events that require the issuance of new shares to accommodate the rights adjustment : When the Company adjusts the exercise price and/or the exercise ratio pursuant to the conditions concerning the rights adjustment as stipulated in the Terms and Conditions, which resemble the events stipulated in Clause 11(4)(b) of the Notification No. TorChor. 34/2551.

1.2 Procedures and Conditions for Exercising the Warrants

1.2.1 Exercise Date

The Warrant Holders shall be entitled to exercise their rights under the Warrants to purchase the Company's newly issued ordinary shares on the last Business Day of every quarter after the issuance date. In exercising the rights to purchase the newly issued ordinary shares of the Company, the Warrant Holders may exercise their rights under the Warrants to purchase the newly issued ordinary shares either in whole or in part (of the total units of Warrants held by each of them). For any outstanding Warrants that are not exercised on or before the last Exercise Date, the Company will consider that the holders of such outstanding Warrants do not wish to exercise their rights thereunder, and such Warrants shall be deemed nullified without being exercised.

1.2.3 Period for the Notification of the Intention to Exercise the Warrants

The Warrant Holders who wish to exercise their rights to purchase the newly issued ordinary shares of the Company shall deliver a notification of the intention to exercise the Warrants during 8:30 a.m. and 3:30 p.m. within the period of 5 Business Days prior to each Exercise Date (the "**Notification Period**"), save for the last Exercise Date on which the notification of the intention to exercise the Warrants shall be delivered during 8:30 a.m. and 3:30 p.m. within the period of 15 days prior to the last Exercise Date (the "**Last Notification Period**").

In this respect, the Company will not close the Warrant Holders Register Book to suspend the transfer of the Warrants, except in the case of the last exercise of the Warrants in which the Warrant Holders Register Book will be closed to suspend the transfer of the Warrants for a period of 21 days prior to the last Exercise Date. The SET will post the SP sign in order to suspend the trading of the Warrants for a period of 2 Business Days prior to the book closure date. In the case that the first book closure date falls on the date on which the SET is closed for business, such first book closure date shall be rescheduled to the preceding Business Day.

The Company shall remind and inform the Warrant Holders of additional details in connection with the Exercise Date, the Notification Period, the Last Notification Period, exercise ratio, exercise price, details of the Company's bank account for the subscription and exercise of the rights under the Warrants, a person appointed by the Company to receive the notification of the intention to exercise the Warrants (if any) (the "**Agent Receiving Exercise Intention**") and the place to exercise the Warrants through the electronic information disclosure system of the SET

For the last Exercise Date, the Company will notify the aforementioned information through the electronic information disclosure system of the SET at least 14 days prior to the book closure date and will also deliver such details to the Warrant Holders whose names appear in the Warrant Holders Register Book on the book closure date via registered mail.

1.2.4 Legitimate Holders of the Warrants

- (b) In the case the Securities Depository holds the Warrants on behalf of the Warrant Holders, the rights attached to the Warrants shall be vested in persons or juristic persons that the Securities Depository notifies to the Warrant Registrar in writing that such persons or juristic persons are legitimate holders of the Warrants in the number registered in the Warrant Holders Register Book under the Securities Depository's name at the relevant time or on the first book closure date in the case of the closure of the Warrant Holders Register Book.

However, in the case that the Company has appointed the Agent Receiving Exercise Intention pursuant to Clause 1.2.3, the Warrant Holders who wish to exercise the Warrants shall notify their intention to exercise the rights to purchase the newly issued ordinary shares to the Agent

Receiving Exercise Intention. In such case, the Company will notify the Warrant Holders of the details of the Agent Receiving Exercise Intention and the place to exercise the Warrants through the electronic information disclosure system of the SET.

1.2.7 Conditions on the Notification of the Intention to Exercise the Warrants

The Warrant Holders can obtain the notification form to exercise the Warrants at the Company or the Agent Receiving Exercise Intention or download the form from the Company's website (www.btsgroup.co.th) and notify the intention to exercise the rights to purchase the newly issued ordinary shares to the Company or the Agent Receiving Exercise Intention (as the case may be), pursuant to the details set forth in Clause 1.2.6. Such notification shall be made within the Notification Period, as specified in Clause 1.2.3 above.

In the case that the Warrants are in the scripless system, the Warrant Holders who wish to exercise the Warrants shall notify their intention to exercise the Warrants and fill in the form to withdraw the Warrants from the scripless system or to request for the issuance of the Warrant Substitute as prescribed by the SET.

- (a) In the case that the Warrant Holders have their own securities trading accounts and the Warrants are kept in the account named "Thailand Securities Depository Co., Ltd. for depositors", the Warrant Holders who wish to exercise the Warrants shall notify their intention to exercise the Warrants and fill in the form to withdraw the Warrants or to request for the issuance of the Warrant Substitute as prescribed by the SET, and submit the same to their respective securities broker. Such securities company will proceed to notify the Securities Depository to withdraw the Warrants from the account named "Thailand Securities Depository Co., Ltd. for depositors". The Securities Depository will then issue the Warrant Substitute to be used as a supporting document in exercising the rights to purchase the Company's newly issued ordinary shares.
- (b) In the case that the Warrant Holders do not have a securities trading account and the Warrants are kept with the Securities Depository in the account named "Issuer Account", the Warrant Holders who wish to exercise the Warrants shall notify their intention to exercise the Warrants, fill in the form to withdraw the Warrants or to request for the issuance of the Warrant Substitute as prescribed by the SET, and submit the same to the Securities Depository requesting for the withdrawal of the Warrants from the "Issuer Account". The Securities Depository will then issue the Warrant Substitute to be used as a supporting document in exercising the rights to purchase the Company's newly issued ordinary shares.

The Warrant Holders (both the Warrants in certificate form and in the scripless system) who wish to exercise their rights to purchase the newly issued ordinary shares shall comply with the conditions on the notification of the intention to exercise the Warrants, take necessary actions and submit the documents for the exercise of the Warrants within the relevant Notification Period, as set out below:

- (b) To deliver the Warrant Certificate or the Warrant Substitute in the number specified in the notification form to exercise the Warrants to the Company or the Agent Receiving Exercise Intention (as the case may be);
- (c) To pay the exercise price according to the amount specified in the notification form to exercise the Warrants to the Company or the Agent Receiving Exercise Intention (as the

The exercise of rights to purchase the newly issued ordinary shares shall be considered completed only when the Company or the Agent Receiving Exercise Intention has successfully collected the payment of such exercise price. If the Company or the Agent Receiving Exercise Intention could not collect such payment in whatsoever case that is not due to the fault of the Company or the Agent Receiving Exercise Intention, the Company will consider that such Warrant Holder intends to cancel his/her respective intention to exercise his/her rights to purchase the newly issued ordinary shares. In such case, the Company and/or the Agent Receiving Exercise Intention will return the Warrant Certificate or the Warrant Substitute together with the check, cashier's check or draft which cannot be collected, to such Warrant Holder within 14 days after each respective Exercise Date. Nevertheless, the Warrant Holders will be able to notify the intention to exercise their rights to purchase the newly issued ordinary shares on the subsequent Exercise Date, except in the case of the last Exercise Date in which the Company shall consider that such Warrant(s) is nullified without being exercised. The Company and the Agent Receiving Exercise Intention shall not be responsible for the interest and/or any damages in whatsoever cases;

(d) Supporting documents required for the exercise of the Warrants

- 1) Thai individual : A certified true copy of a valid identification card or governmental officer identification card/state enterprise officer identification card, and a certified true copy of the household registration (in case of any name/surname change which causes the name/surname to be different from the name/surname appearing on the Warrants, a certified true copy of any document issued by the governmental authority, e.g. marriage certificate, divorce certificate, certificate of name/surname change, etc. must be attached.)
- 2) Non-Thai individual : A certified true copy of a valid foreigner certificate or passport

Documents under sub-paragraphs 4.1) and 4.2), which are certified as the true copies by the authorized signatory(ies), shall be notarized by the Notary Public within a period of no longer than 6 months prior to each respective Exercise Date.

If a Warrant Holder fails to submit supporting documents for the exercise of the Warrants as mentioned above, the Company and/or the Agent Receiving Exercise Intention reserve the rights to consider that such Warrant Holder does not intend to exercise the rights under the Warrants. Nevertheless, the Company and/or the Agent Receiving Exercise Intention can exercise its discretion to allow such Warrant Holder to exercise the Warrant(s) as deemed appropriate; and

- (e) The Warrant Holders shall be responsible for the stamp duty or any tax (if any) in accordance with the Revenue Code, any applicable regulations or laws governing the exercise of the Warrants.

1.2.8 The number of the Warrants to be exercised shall be the non-fractional number only. The exercise ratio is 1 unit of the Warrants for 1 newly issued ordinary share, except in the case that the exercise ratio is adjusted otherwise pursuant to the conditions concerning the rights adjustment as specified in Clause 5.

1.2.9 If the Company and/or the Agent Receiving Exercise Intention receive the incomplete or incorrect documents for the exercise of the Warrants as specified in Clause 1.2.7, or if the Company and/or the Agent Receiving Exercise Intention found any incomplete or incorrect information in the notification form to exercise the Warrants or the stamp duties affixed thereto (if any) are incomplete according to the Revenue Code, or any applicable regulations or laws, the Warrant Holders shall rectify and correct such error within the Notification Period. If the Warrant Holder fails to rectify and correct such error within such period, the Company shall deem that such Warrant Holder intends to cancel his/her exercise of the Warrants in such exercise. The Company and/or the Agent Receiving Exercise Intention shall return the Warrant Certificate or the Warrant Substitute and refund the money received without any interest to such Warrant Holder within 14 days after the relevant Exercise Date. Nevertheless, the Warrant Holder will be able to notify the intention to exercise their rights to purchase the newly issued ordinary shares on the subsequent Exercise Date, except in the case of the last Exercise Date in which the Company shall deem that such Warrant(s) is nullified without being exercised. The Company and the Agent Receiving Exercise Intention shall not be responsible for the interest and/or any damages in whatsoever cases.

In the case that the Warrant Holder fails to make a full payment or make excess payment, the Company and/or the Agent Receiving Exercise Intention is entitled to take one of the following actions as the Company and/or the Agent Receiving Exercise Intention may consider appropriate:

- (a) The Company or the Agent Receiving Exercise Intention may deem that the notification of the intention to exercise the Warrants is equal to the lower amount between (1) the number of the newly issued ordinary shares entitled to receive according to the rights and (2) the number of the newly issued ordinary shares entitled to receive corresponding to the payment made on such exercise received by the Company or the Agent Receiving Exercise Intention at the exercise price and exercise ratio at such relevant time; or
- (b) The Company or the Agent Receiving Exercise Intention may require the Warrant Holder to make the additional payment in full according to the amount his/her wishes to exercise within the Notification Period. If the Company or the Agent Receiving Exercise Intention does not receive the payment in full within such period, it shall be deemed that such Warrant Holder intends to cancel the exercise of the Warrants in such exercise only for the portion that has not been fully paid by the Warrant Holder. The Warrant Holder will be able to notify their intention to purchase the newly issued ordinary shares in the subsequent Exercise Date, except in the case of the last Exercise Date in which the Company shall consider that such Warrant(s) is nullified without being exercised. The Company and the Agent Receiving Exercise Intention shall not be responsible for any interest and/or damages due to whatsoever reasons.

In case of paragraph (a) or (b), in the event that there will be any refund of money to the Warrant Holders, the Company and/or the Agent Receiving Exercise Intention shall refund the money remained from the exercise of the Warrants or the money received without any interest to such Warrant Holder within 14 days after the relevant Exercise Date pursuant to the methods and conditions specified by the Company and/or the Agent Receiving Exercise Intention.

Nevertheless, in any case, if the delivery of check for the money remained from the exercise of the Warrants or the money received but the Warrants are not exercised or are not eligible to exercise has been duly carried out via registered mail to the address specified in the notification form to exercise the Warrants, it shall be deemed that the Warrant Holder is duly refunded of such money and the Warrant Holder shall have no rights to claim any interest and/or damages due to whatsoever reasons.

1.2.10 In the event that the Warrant Holder delivers the Warrant Certificate representing the number of the Warrants more than those he/she wishes to exercise, the Company shall deliver a new Warrant Certificate representing the remaining units of the Warrants to such Warrant Holder within 15 days from the relevant Exercise Date, and cancel the former Warrant Certificate.

1.2.11 The number of the newly issued ordinary shares issued upon the exercise of the Warrants shall be calculated by dividing the amount of money received from the Warrant Holder for the exercise of the Warrants as described above by the exercise price. The Company shall issue the newly issued ordinary shares in a non-fractional number not exceeding the number of the units of the Warrants times by the exercise ratio.

If there is an adjustment of exercise price and/or exercise ratio causing (a) any fraction of share after the calculation, such fraction shall be rounded down, and (b) any fraction of subscription price after the calculation, such fraction shall be rounded down. The Company shall refund the money remained from such exercise (if any) without any interest to the respective Warrant Holder within 14 days after the respective Exercise Date pursuant to the methods and conditions to be specified by the Company and/or the Agent Receiving Exercise Intention. In this regard, the Company reserves the rights not to refund any remainder less than Baht 1 from such exercise.

Nevertheless, in any case, if the delivery of check for the money remained from the exercise of the Warrants or the money received but the Warrants are not exercised or are not eligible to

exercise has been duly carried out via registered mail to the address specified in the notification form to exercise the Warrants, it shall be deemed that the Warrant Holder is duly refunded of such money and the Warrant Holder shall have no rights to claim any interest and/or damages due to whatsoever reasons.

- 1.2.12** After the Warrant Holder, who wishes to exercise the rights to purchase the newly issued ordinary shares, completes and fulfills all conditions on the notification of the intention to exercise the Warrants as specified in Clause 1.2.7, i.e. submitting the Warrants Certificate or the Warrant Substitute and the notification form to exercise the Warrants including the supporting documents for the exercise of the Warrants and making full and correct payment for the exercise price, the Warrant Holder shall not be able to revoke the exercise of the Warrants, unless a prior written consent from the Company is obtained.
- 1.2.13** When the Last Notification Period has lapsed but the Warrant Holder has not yet complied with all conditions on the notification of the intention to exercise the Warrants as specified in Clause 1.2.7, it shall be deemed that such Warrant(s) is nullified without being exercised. The Warrant Holder shall no longer be able to exercise his/her rights under the Warrants.

In the event that the Company announces the date for determining the rights in dividend payment or other benefits to the shareholders prior to the date on which the Ministry of Commerce accepts the registration of the increase of the paid-up capital and the share registrar of the Company registers the names of the Warrant Holders as the shareholders of the Company, the Warrant Holders shall have no rights to receive such dividend payment or other benefits.

11. Restriction on the share transfer

The Company's shares are freely transferable except in the case that such transfer causes the non-Thai persons to hold shares more than 49 percent of the Company's total issued shares. The Company reserves the right to deny the registration of the share transfer if such share transfer will cause the shareholding of the non-Thai persons to exceed the abovementioned ratio.

12. Status of the Warrant Holders during the notification of the intention to exercise the Warrants

During the day on which the Warrant Holders have notified the intention to exercise the Warrants and the day before the Ministry of Commerce accepts the registration of the increase of the paid-up capital after the exercise of the Warrants, the status of the Warrants shall remain the same as that of the non-exercise Warrants and such status shall cease on the day the Ministry of Commerce accepts the registration of the increase of the paid-up capital in corresponding to the exercise of the Warrants.

In the event that the Company adjusts the exercise price and/or exercise ratio during the period that the Company has not yet registered the newly issued ordinary shares issued in corresponding to the exercise of the Warrants with the Ministry of Commerce, the Warrant Holders who have already exercised the rights shall receive retroactive rights adjustment. The Company will, as soon as possible, issue additional new ordinary shares to the Warrant Holders in the number that such Warrant Holders shall be entitled to receive in the case that the exercise price and/or the exercise ratio (as the case may be) is adjusted. These additional ordinary shares may be received later than those ordinary shares which were previously allotted but no later than 45 days after the date of the rights adjustment.

13. Secondary market of the offered Warrants

The Company shall list the Warrants on the SET within 30 days from the issuance date of the Warrants.

14. Restrictions on the transfer and the exercise of the Warrants

The Company has no restriction on the transfer of the Warrants. However, the Company has a restriction on the exercise of the Warrants and a restriction on shareholding ratio of the non-Thai persons as prescribed in the Company's Articles of Association as detailed below:

- (a) The Company shall not issue the new ordinary shares to the non-Thai persons who have exercised the Warrants in accordance with the conditions on the notification of the intention to exercise the Warrants as specified in Clause 1.2.7, if such exercise will cause the shareholding ratio of the non-Thai persons to exceed 49 percent of the total issued shares of the Company as stipulated in the Company's Articles of Association.
- (b) If the restriction under paragraph (a) above causes the non-Thai Warrant Holders who have exercised the Warrants in accordance with the conditions on the notification of the intention to exercise the Warrants as specified in Clause 1.2.7 to be unable to exercise their rights in accordance with the number specified in the notification form to exercise the Warrants whether in whole or in part, the Company and/or the Agent Receiving Exercise Intention reserves the rights to refund to the non-Thai Warrant Holders the money remained from the part that cannot be exercised without any interest within 14 days after the respective Exercise Date in accordance with the methods and conditions prescribed by the Company and/or the Agent Receiving Exercise Intention.
- (c) The non-Thai Warrant Holders are not entitled to any compensation from the Company and the Agent Receiving Exercise Intention in the case of the inability to exercise the Warrants as a result of the restriction on shareholding ratio of the non-Thai persons as specified in paragraph (a) above.

15. Effectiveness of the Terms and Conditions and applicable law

These Terms and Conditions will be effective from the issuance date of the Warrants until and including the last Exercise Date. These Terms and Conditions will be governed and interpreted by Thai law, and if any content in the Terms and Conditions is in conflict with the law or any notification governing the Warrants, the content in such law or notification shall be applied to the Warrants only in place of the conflicting content.
